Policy	Constitution Management: Rules - Annexure "B"	Version: 1.1 17 January 2013

1.0 Scope.

This policy applies to all members of the Iluka Homeowners' Association (IHOA). Every person who owns residential property located in the suburb of Iluka is a member of the Iluka Homeowners' Association. Every property in the suburb of Iluka is subject to the *Rules - Annexure "B"* described in this policy.

Upon purchase of a property in the suburb of Iluka, postcode 6028, in the state of Western Australia, hereafter "Iluka", the purchaser agrees to be and remain a member of the Iluka Homeowners' Association, for as long as the purchaser is the owner of the property in Iluka.

The Association was formed under a constitution as amended from time to time. A copy of the Constitution for the IHOA may be downloaded from the IHOA website or a copy will be provided upon request.

In accordance with rules 19(2) and 19(3) of the Constitution of the Iluka Homeowners' Association, the *Rules - Annexure "B"* attached therein form part of the rules of the IHOA and bind all residents of Iluka.

1.1 Rented Properties.

Property owners who rent their properties have a duty to inform their tenants of their obligations under the *Iluka Rules - Annexure "B"* and ensure that tenants comply with the *Iluka Rules - Annexure "B"*. The duty to comply with the *Iluka Rules - Annexure "B"* shall be a contractual obligation implied or otherwise in all rental agreements between the Iluka property owner and their tenants.

2.0 Context.

Each and every Iluka Homeowner takes benefits from the *Iluka Rules - Annexure "B"* and accordingly each and every Homeowner has a duty to abide by the *Iluka Rules - Annexure "B"*. Benefits include; superior property values, enhanced aesthetic environment, and a cordial community spirit. Duties of owners and residents include; abiding by the *Iluka Rules - Annexure "B"* and advising visitors to abide by the *Iluka Rules - Annexure "B"*.

The *Rules - Annexure "B"* of the Iluka Homeowners' Association shall not be enforced in an arbitrary manner. Any action required by this policy shall be subject to and undertaken in accordance with; Commonwealth Law, State Law, the IHOA constitution and this policy. No resident shall be the subject of an action by the IHOA Association, or any other resident, unless there is a breach of the *Iluka Rules - Annexure "B"* or the constitution of the Iluka Homeowners' Association.

All residents are equal before the Iluka Homeowners' Association. All residents have equal rights and all residents are subject to the *Iluka Rules - Annexure "B"* and the constitution without favouritism. The *Iluka Rules - Annexure "B"* and the constitution of the IHOA shall be applied to all residents equally. No resident shall be discriminated against in any way.

This policy is intended to enhance the community spirit in Iluka, to encourage residents to "do the right thing" and to honour their obligations. Predominantly it is only a small minority of residents, who blatantly breach the *Rules - Annexure "B"* for reasons of self-interest, poor community spirit and general obstinacy.

3.0 Policy Statements

Any statement in this policy shall not limit the effect of the Iluka *Rules - Annexure "B"* or the constitution of IHOA. Where there is a conflict in interpretation, the Iluka *Rules - Annexure "B"* take precedent over this policy.

4.0 Decisions and actions of the Association.

All decisions and actions taken by the Committee of the Iluka Homeowners' Association are decisions and actions taken by the Iluka Homeowners' Association as a whole, by all residents in the interests of all residents. Where residents choose not to attend Committee Meetings and not to participate in the running of the Association, it is deemed that they vote in accordance with the majority of the Committee vote.

The Association's decision is final and cannot be objected after a vote is taken.

5.0 The Process

Breaches of *Rules - Annexure "B"* will be managed in accordance with the process provided in this section.

5.1 Alleged breach of *Rules - Annexure "B"* received by the Association.

All alleged breaches of *Rules - Annexure "B"* set out in the rules of the Association must be submitted to the Association in writing.

The allegation must:

1. Clearly state the name and address of the person making the allegation, "The Plaintiff". Anonymous allegations cannot be entertained and will be ignored.
2. Contain a statement that the allegation is true and not mischievous, or vexatious to the best of the plaintiff's knowledge.
3. Clearly state the address at which the alleged breach of the *Rules - Annexure "B"* occurs.
4. Clearly state which *Rules - Annexure "B"* listed in Annexure "B" of the IHOA Constitution they believe have been breached.
5. Contain a statement that they **have** or **have not** attempted to approach the property owner at which the alleged breach occurs. If they **have** approached the property owner at which the alleged breach occurs, provide what outcomes resulted from that approach.
6. Be signed and dated.

Where an allegation does not comply with the aforementioned criteria, the Association *Annexure "B"* Sub-committee shall inform the plaintiff and not proceed with the allegations any further.

5.2 Verification of breach.

Upon receipt of an allegation of a breach of *Rules - Annexure "B"* in accordance with section 1 above, the Association *Annexure "B"* Sub-committee will verify that the allegation has merit.

Version: 1.1

5.3 First Letter to alleged offender.

Where the IHOA *Annexure "B"* Sub-committee believes that an allegation of breach of *Rules - Annexure "B"* has merit, the Association shall send a "First Letter" to the property owner informing them that the IHOA believes that they are in breach of the *Rules - Annexure "B"* of the Association. Further the first letter shall respectfully request that the breach of *Rules - Annexure "B"* be rectified. The "First Letter" template is in Attachment A of this policy.

5.4 Reply to the plaintiff.

The IHOA *Annexure "B"* Sub-committee shall write to the plaintiff informing them of the progress of their allegation.

5.5 Compliance time.

The IHOA *Annexure "B"* Sub-committee shall allow at least 30 days for the alleged breach offender to consider their position and take any advice they see fit. The IHOA *Annexure "B"* Sub-committee shall entertain any reasonable request for time to comply with the Association's *Rules - Annexure "B"*.

5.6 Verify compliance.

Where an alleged offender claims that the breach has been rectified, the IHOA *Annexure "B"* Sub-committee shall verify that the property is then compliant with the IHOA Constitution.

5.7 Response to plaintiff.

The IHOA *Annexure "B"* Sub-committee shall write to the plaintiff informing them of the progress of their allegation.

5.8 Decision by the Association to join the plaintiff.

Where an allegation of breach of *Rules - Annexure "B"* cannot be resolved by the preceding actions the IHOA *Annexure "B"* Sub-committee must advise the plaintiff that the IHOA can only proceed in one of the following:

1. Do nothing. If the plaintiff wants to proceed they need to engage a lawyer of their choosing and the IHOA has no further part to play in the matter.
2. Impose a fine(s) on the property in accordance with this policy and the IHOA has no further part to play in the matter.
3. Join the plaintiff in the matter and proceed to engage a lawyer to have the matter dealt with in court.

The above decision must be based on the Iluka community interest and not on the interest of individual homeowner's. The Iluka Homeowners' Association can only use resources of the Association if it can be shown that there is a benefit to the community of Iluka as a whole. Where a matter only affects a small number of properties then it is a matter for those property owners to enforce their rights at their own expense.

The value of fine(s) to be imposed is to be set by the Iluka Homeowners' Association. In the case of parking commercial vehicles in breach of the Iluka *Rules - Annexure "B"* the value of fine(s) is not to be less than the commercial rate for storage at a local storage facility. 5.23 Grace Period to comply.

Where a resident has a genuine hardship and is unable to comply with a RFCL, the resident may apply in writing to the Association for a grace period. The Association may allow the resident a grace period to comply. A grace period shall not be any longer than 3 months. Additional grace periods may be granted at the discretion of the Association. When allowing a grace period, the Association shall take into consideration the effect of the breach on the neighbours of the resident and may seek their neighbour's comments. A resident who submits a request for a grace period with written consent from the neighbours of the property has a stronger case for grant of such a period.

All fine(s) owing to the IHOA are a debt to the IHOA and the IHOA may recover that debt by any means, including through a court of appropriate jurisdiction, at any time and in any manner that the IHOA deems fit. The Association shall contemplate legal action where necessary. The Association, or any person acting on behalf of the Association, shall refuse to lift any caveat on a property while there are any unpaid fine(s) lodged on that property. This will prevent settlement on the sale of a property until all outstanding fine(s) have been paid.

Fine(s) resulting from the conduct by tenants renting a property are imposed on the legal owner of that property. Breaches of the Iluka *Rules - Annexure "B"* by tenants of a rental property are deemed to be breaches by the property owner.

The cost of legal action undertaken for breaches of the Iluka *Rules - Annexure "B"* that are not recoverable from the defendant shall be paid for by the IHOA.
